

SUBDIVISIONAL DEVELOPMENT AND WORKS CONSTRUCTION

Previous policy number: 2.2.4

Policy Statement

To provide the guidelines for subdivisional development in Mosman Park.

Policy Details

All subdivisional developments within the boundaries of Mosman Park are to be conducted in accordance with the Mosman Park Standards for Subdivisional Development.

Where works construction takes place in existing road or public reserves either by Contract or Council operation refer to these guidelines in conjunction with Policy 2.2.6 – Streetscapes for construction method and specification.
