**NOTE.**

This document is intended as a guide only to assist in your application. Contact the Town's Building Services for further assistance.

The Town of Mosman Park will not accept an incomplete application. Should additional information or clarification be requested, this must be provided within 21 calendar days. Failure to provide any requested information/material within this timeframe may result in the application being refused and the application fee paid at the time of the application may not be refunded.

A Notice of Completion (BA7) is required on completion of all building work that requires a Building Permit from the Town of Mosman Park. The Notice (BA7) must be lodged with the Town of Mosman Park within 7 days of completing building work.

The Notice of completion (BA7) must be accompanied by an inspection certificate that confirms whether the safety barrier complies with the building regulations 2012 and AS1926.1.

This inspection certificate is separate to the four yearly inspection conducted by the Town. It is the responsibility of the builder, as named on building permit, to organise the inspection certificate.
