

# Do you own or occupy rateable property in Mosman Park?

## Want to vote in the upcoming local government elections?

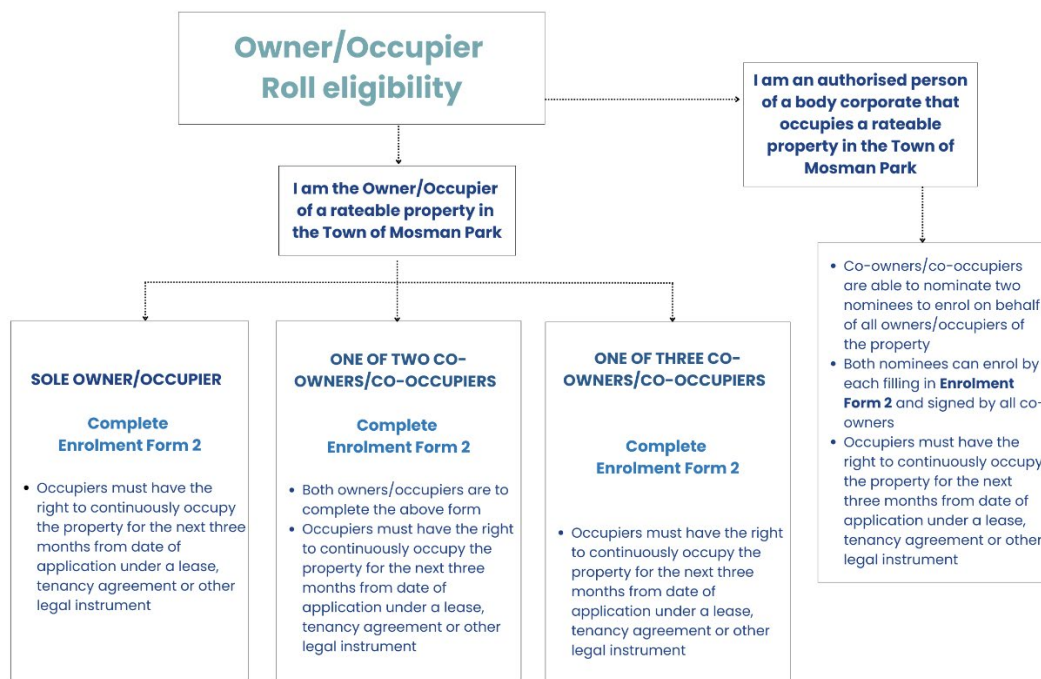

You are eligible to vote in the 2023 local government elections if you reside in the Town of Mosman Park and are on the Western Australian electoral roll.

If you are a non-resident who owns property in the Town of Mosman Park, or a tenant occupying a rental property in the Town, or an authorised person of a body corporate that owns or occupies business premises in Mosman Park you may be eligible to vote in the 2023 local government elections. Eligible voters are entitled to one vote regardless of how many properties they own or occupy in the Town.

The flow chart below can be used to work out if you are eligible to apply to be added to the Town's owner/occupier roll. If you are eligible, you can fill out an enrolment form and lodge with the Town to consider before **25 August 2023**.

Full details about eligibility are available on [Enrolment Eligibility Claim Form 2](#). You must disclose all rateable properties that you own or occupy in the Town. You do not need to provide proof of ownership or tenancy unless the Town requests you to do so.

Owners remain on the owner/occupier roll until the property is sold, occupiers stay on for two election cycles (four years). They are then removed six months after the second election cycle unless they confirm they wish to remain on it.
