Dear Resident

I am a retired Engineer with an MBA, married with two sons and a daughter. We have been residents of Mosman Park for 14 years and have been welcomed by the members of the community.

I will focus on:

- Safety for pedestrians, and children playing in the town.**
- Making the town environmentally friendly by promoting planting trees, protecting our green canopy and use of renewable energy**
- Beautifying streets and improve street lighting, footpaths and cycle ways.**
- Better traffic management within the town (Traffic congestion and speeding vehicles)**
- Underground power and Sensible development along and near our Trains and Buses**
- Continue to facilitate better communication between Council, residents, seniors and our youth.**

To bring these positive changes, I need your support as your vote counts. I am truly excited to serve you as a councilor alongside you. in building a brighter future for our town
